## Our Cover

This year's EmComm issue features articles about the reboot of the National Traffic System, APRS in action at the West Point Triathlon, and how the use of NVIS solved a long-standing communications problem at an annual car race. You'll also find this month's Public Service column by Paul Teel, WB5ANX, which discusses APRS tracking of SAG vehicles at events based in Oklahoma. The Tulsa Amateur Radio Club, W5IAS, also brings its communications trailer (seen on this month's cover) to these events to serve as the command post.
